

PT-022+C760 Ultra Zoom. (in case the camera's zoom level to the maximum wide position.)

PT-022+C760 Ultra Zoom.+PCU-01 (in case the camera's zoom level to the maximum wide position.)

PT-022+C760 Ultra Zoom.+PCU-03 (in case the camera's zoom level to the maximum wide position.)

PT-022+C760 Ultra Zoom. +PCU-01+PCU-03 (in case the camera's zoom level to the maximum wide position.)

*Please note:PCU-01, PCU-03 are usually used with a camera with it's zoom level to the maximum telescope position, but this time, we use the maximum wide position in order to get images easily.
