Important Notice

All items returned must be accompanied by a purchase receipt and a brief letter outlining any problems. Any items returned without a purchase receipt will be subject to charges for parts, labour and return shipping.

Items sent back for repair and deemed as "no fault found" by the manufacturer or other authorised repair agent may incur a return freight cost.

Units returned subject to Dead On Arrival policy **must** be accompanied by copy of Proof of Purchase clearly showing date of sale. Any units returned without this information will be serviced/repared and returned to store subject to compliance with warranty conditions. In this instance, Innovations Australia will organise return freight.

Innovations Australia will not accept transport charges for items being returned for Inspection/Repair/Service.

All items returned are subject to Innovations Australia's Return Policy which can be found on the website.

General turn-around times for repairs range from 3-6 weeks, but may be longer, dependant on the nature of the fault and availability of replacement parts.

This form must be emailed through to info@digitaldiver.com.au prior to return of your equipment and a Return Authority number will be issued.
